

COLFAX MARATHON

**Join the Hope for Heather Foundation
May 14-15, 2016 as a runner, volunteer
or sponsor a runner.**

Run for a reason

Heather lost her battle with breast cancer at the age of **26** after she was diagnosed with stage 3b, HER2 breast cancer. We found that most foundations were committed to research, for others it is awareness/prevention. Heathers vision for the **HOPE FOR HEATHER FOUNDATION** was to help patients and survivors pay for every day bills like housing, utilities, groceries, co-pays, medical bills and things that insurance doesn't cover. She also wanted to provide these women with wigs, scarves, gas cards, grocery cards and other supplies to help with their journey. The Foundation helps with everyday costs of fighting and surviving. We don't want to see women have to choose between paying rent or paying doctor co pays -OR- buying medication instead of food.
